

Botan::TLS_Policy

```
graph BT; Client_TLS_Policy --> Botan_TLS_Policy; Server_TLS_Policy --> Botan_TLS_Policy;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Botan::TLS_Policy'. Below it, a horizontal line connects two boxes: 'Client_TLS_Policy' on the left and 'Server_TLS_Policy' on the right. From the center of this horizontal line, an arrow points upwards to the bottom of the 'Botan::TLS_Policy' box, indicating that both 'Client_TLS_Policy' and 'Server_TLS_Policy' inherit from 'Botan::TLS_Policy'.
